## Mission

Toastmasters International's "The Supper Club" is the leading movement devoted to making effective oral communication a worldwide reality.

Through its member clubs, Toastmasters International helps men and women learn the arts of speaking, listening, and thinking – vital skills that promote self-actualization, enhance leadership potential, foster human understanding, and contribute to the betterment of mankind.

It is basic to this mission that Toastmasters International continually expand its worldwide network of member clubs, thereby offering ever-greater numbers of people the opportunity to benefit from its programs.

## Vision

Toastmasters International empowers people to achieve their full potential and realize their dreams. Through our member clubs, people throughout the world can improve their communication and leadership skills, and find the courage to change.

## Values

Toastmasters International's core values are integrity, dedication to excellence, service to the member, and respect for the individual. These are values worthy of a great organization, and we believe we should incorporate them as anchor points in every decision we make. Our core values provide us with a means of not only guiding but also evaluating our operations, our planning, and our vision for the future.

This club teaches individuals how not to get distracted and also how to plan and organize an event. The Toastmaster of this club, not only finds the location of the meeting for the month, but also contacts all of the members to fulfill all of the roles.
